Robin Hood Multi Academy Trust has a strong history of pushing the boundaries of education and, over the past few years, has increasingly moved towards research and evidence based practice. Within each academy we have a growth mindset philosophy and our children have a strong moral purpose, they are prepared to push the boundaries of what is possible. Education is so much more than Maths and English and within our academies we promote independent learning, mastery in all subjects and the love of the arts.

Robin Hood MAT is committed to providing the widest curriculum experiences possible for children and as such we offer a range of learning opportunities across our schools including: high level sporting opportunities, forest school, Mandarin and high level ICT development, including 3D printing and coding.

So if you are a teacher who has a passion for thinking outside of the box, taking risks and pushing the boundaries in education, then we would love to hear from you. We want people to apply who are child centred, reflective, passionate and have real potential. If you fit this criteria then we would love you to apply.

We are currently welcoming applications for positions at both Yenton Primary in Erdington and Ulverley School in Solihull.

Successful candidates will receive the highest level of professional development, from an incredibly dedicated team who are all genuinely driven to do the best for every member of each school’s community.

Applications from NQTs and early career teachers are very welcome. Previous applicants to the MAT need not apply.

Application packs available from the MAT PA: please contact Tina Titchen on pa@robinhoodmat.co.uk

For further information on Yenton and Ulverley please visit the school websites: www.yenton.bham.sch.uk www.ulverley.co.uk

To find out more about the Multi Academy Trust visit www.robinhoodmat.co.uk

Closing date: 1st May 2020
Video interviews: To be arranged

The MAT is committed to safeguarding and promoting the welfare of children and expect all staff and to share this commitment. The successful candidate will be subject to all necessary pre-employment checks, including: an enhanced DBS; Prohibition check; Childcare Disqualification (where applicable); qualifications (where applicable); medical fitness; identity and right to work. All applicants will be required to provide two suitable references.
